

2016 Master Woodland Manager Activities Summary

Name: _____

County: _____

Email: _____

Years of MWM service: _____ Acres of forestland: _____

Master Woodland Managers,

Please help us better understand how MWM accomplishments enhance Oregon's family forestland owner community by filling out this form. We are able to utilize these numbers in reporting to our partners, in finding funding sources, in keeping costs down to program participants, and in ensuring the continuation of the MWM program. Your volunteer activity reports are essential to demonstrate the full impact MWM has, not only on MWM participants, but the state as a whole. Please feel free to use additional pages as necessary.

We sincerely appreciate your service and the time you spend reporting hours.

Thank you,

Tiffany Fegel
MWM Coordinator

2016 Master Woodland Manager Activities Summary

Volunteer Activities (please list each significant event)

| Description of activity | Type of Assistance <small>(Use given numbers below)</small> | # of People | # of Hours |
|--|--|-------------|------------|
| EX. <i>MWM visit to Smith property</i> | 1 | 2 | 4 |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |

- Types of Assistance** (examples of assistance type)
1. **Landowner education** (hosting property tours, one-on-one visits)
 2. **Direct assistance to an extension agent** (class helper, field work, writing articles)
 3. **Service** (leadership within OSWA, watershed council, or other committees)
 4. **Outreach to non-woodland owner audiences** (teaching youth, staffing a fair booth)
 5. **Citizen Science** (data collection and reporting – rainfall, bird counts)

Describe in more detail any volunteer activity that was particularly meaningful to you:

Did you attend any continuing education activities this year? Yes No

Approximate # of hours: _____

Describe (in as much or little detail as you would like) the forest management project that you undertook on your property this year that you are most proud of (feel free to use additional paper).

How many acres were affected by this project? _____
